SODEXO'S HONOR EMPLOYEE RESOURCE GROUP

Sodexo's employee business resource group, Honoring Our Nation's Finest with Opportunity and Respect (HONOR) was just named among the Top 25 Employee Resource Group (ERG) during the 2022 Global ERG Summit. HONOR provides support, guidance, and other resources to employees and families who are connected to the military.

HONOR gets involved by sponsoring the Red Coat Program. Why Red? **RED=remember everyone deployed.** Through the program, our chefs and kitchen leaders who are serving or have served receive red chef coats. It creates a visible reminder of the sacrifice and service of those connected to the military.

HONOR ranks in the Top 25 Employee Resource Groups

More ways HONOR supports the military community:

- Since 2003, Sodexo has been a sponsor of the annual **Marine Corps Marathon** and **Semper Fun Mile Kids' fun run**
- Since 2011, Sodexo has sponsored the **Marine Corps Scholarship**, the nation's oldest and largest provider of need-based scholarships to military children attending post-high school, undergraduate, and career technical education programs
- **Sodexo is the largest sponsor of the National Restaurant Association's Education Foundation's military programming**, which helps military servicemen and women transition their skills to restaurant and foodservice careers
