In order to ensure that the Group receives a consistent and high-quality service, and to centralize relations with the external auditors at senior management and Audit Committee level, the Audit Committee has prepared a plan whereby one or the other of the international firms retained as external auditors by Sodexo (PricewaterhouseCoopers and KPMG, both members of the Regional Company of External Auditors of Versailles) is appointed to act as auditor to nearly all Group subsidiaries representing 97% of financial statement audit fees. 56% of these fees are paid to PricewaterhouseCoopers and 41% to KPMG.

Audit fees paid by Group subsidiaries to firms other than PricewaterhouseCoopers and KPMG (and member firms of their international networks) amounted to 0.3 million euro for Fiscal 2016.

All services performed by the external auditors during Fiscal 2016 were approved in advance by the Audit Committee.

The Audit Committee has established and implemented a policy to approve all audit engagements and fees and to pre-approve other services provided by the external auditors.
