Bangkok--12 Oct--Inspire Communications

Sodexo Thailand, the France-based global leader in integrated facilities management services that improve the quality of life, led by Mr. Arnaud Bialecki (center), Country President - Thailand and Director, Corporate Services - Thailand, Vietnam and Philippines, welcomed and presented a souvenir to Dr. Pasu Loharjun (2nd from right), Director-General of Department of Industrial Works, at the Sodexo booth after the opening ceremony of 'BMAM Expo Asia 2015'. The event is an international exhibition and conference on building maintenance and facilities management, attracting both local and international entrepreneurs from more than 100 leading companies to showcase their products and services as well as conducting business negotiations. Sodexo, as a proud sponsor of the event, also had a booth exhibiting the company's integrated Quality of Life services at the event which was recently held at IMPACT Exhibition and Convention Center, Muang Thong Thani.
